NOTICE OF PERSONAL PROPERTY EXEMPTION

TO THE DEFENDANT(S): Tennessee law provides a ten thousand dollar (\$10,000) personal property exemption as well as a homestead exemption from execution or seizure to satisfy a judgment. The amount of the homestead exemption depends upon your age and the other factors which are listed in TCA § 26-2-301. If a judgment should be entered against you in this action and you wish to claim property as exempt, you must file a written list, under oath, of the items you wish to claim as exempt with the clerk of the court. The list may be filed at any time and may be changed by you thereafter as necessary; however, unless it is filed before the judgment becomes final, it will not be effective as to any execution or garnishment issued prior to the filing of the list. Certain items are automatically exempt by law and do not need to be listed; these include items of necessary wearing apparel (clothing) for your self and your family and trunks or other receptacles necessary to contain such apparel, family portraits, the family Bible, and school books. Should any of these items be seized you would have the right to recover them. If you do not understand your exemption right or how to exercise it, you may wish to seek the counsel of a lawyer. Please state case number on list.
